Call for applications for one of IUPUI’s premier faculty mentoring programs

The IUPUI Office of the Vice Chancellor for Research and the IUPUI Office for Women invite you to apply for the Enhanced Mentoring Program with Opportunities for Ways to Excel in Research (EMPOWER).

EMPOWER provides support to IUPUI faculty who are historically underrepresented and/or excluded populations in their discipline or area of scholarship and historically denied admission to higher education or that discipline, 1) to become successful in sponsored research and scholarly activity, and 2) to achieve significant professional growth and advancement. The program sustains mentorship opportunities through the EMPOWER Grant Program, supporting achievement of excellence in research and scholarly activity, and optimal attainment of academic career goals and objectives.
